“The Gem of Judicial Roundtables”

Featured Speakers

Honorable Edward L. Chavez, Former Chief Justice of the New Mexico Supreme Court

Pamela Moore, Program Director, State Bar of New Mexico Judges & Lawyers Assistance Program

Judges may be our greatest resource for helping other judges. In December 2018, Retired New Mexico Supreme Court Justice Ed Chavez approached the New Mexico Lawyer Assistance Program in an effort to bring Judicial Roundtables to their state. He was concerned about the mental and emotional health of the New Mexico judges and wanted to do something to help them. Join us as Justice Chavez and Pam Moore share how they worked together to create an inspirational program for the wellbeing of judges. Judicial Roundtables and similar programs have been established throughout the country assisting, supporting and encouraging any judge that is struggling with the isolation and pressures of the job.

Let's talk about it!.
